YOUR COMMITMENTS

Leadership Without Borders Center is inviting departments, schools, colleges, and programs to make a commitment to work with and for undocumented students. Your participation will make a difference and help to make our campus community a more empowering, diverse, and safe space for all our students.

What commitments will you make to support undocumented students? *

- 1.1 We will make sure staff and faculty in our department/program are aware of undocumented student issues.
- 1.2 We will start a dialogue with staff and faculty in our department/program discuss how to better support undocumented students.
- 1.3 We will ensure staff and faculty in our department/program participate in the LWB UndocuAlly training.
- 1.4 We will host, sponsor, or participate in an undocumented student awareness event.
- 2.1 We will designate a staff person to serve as key allies for undocumented students.
- 2.2 We will offer scholarships and information on what opportunities are available for undocumented students.
- 2.3 Our website and other marketing materials will have information that is inclusive of undocumented students.
- 2.4 We will host trainings and other opportunities for staff and faculty on how to better support undocumented students.
- 3.1 We will encourage students, staff and faculty to participate in events to learn about undocumented student issues.
- 3.2 We will encourage other departments and programs to increase their awareness and support undocumented students.
- 3.3 We will lead a conversation on how to support undocumented students across the UW campus.
- 3.4 We will advocate for inclusive policies that directly impact undocumented students at the UW and beyond.
