¹ DREAMers are undocumented immigrant youth who came to the United States as minors, have graduated from U.S. high schools or earned a U.S. high school equivalency but lack a legal status. This prevents them from accessing any federal aid to help pay for their college education. To receive TheDream.US Scholarship, DREAMers must have DACA (Deferred Action for Childhood Arrivals), TPS (Temporary Protected Status) or certify that they have not applied for DACA but meet the DACA immigration eligibility criteria.

More Than a Scholarship – A College Committed to Your Success

We have over 75 Partner Colleges in 15 states and Washington, D.C. that are committed to serving DREAMers and will offer you the support services you need to help you successfully navigate your college life. Each of our Partner Colleges designates a Scholar Advisor to work with you and your fellow Scholars – individually and as a group. You will not be alone!

You must be admitted to and eligible for in-state tuition at one of our public Partner Colleges or admitted to one of our private Partner Colleges to receive our National Scholarship.

Financial Information

Our scholarship is available to low-income students who cannot otherwise afford to go to college. To assess this, we need to understand your financial situation.

- If you're a dependent student, we need your parents' and your financial information to get a full picture of the family's financial strength.
- If you're an independent student, we only need your financial information (and, if you're married, your spouse's) to assess your financial strength.

We will have you indicate whether you are a dependent student or an independent student and then, based on your status, provide:

- Annual household Income;
- Number in the household supported by this income; and
- Number of dependents supported by this income who will attend college in 2019-20.

You DO NOT have to upload any financial records.

Responsibilities

While we consider your academic achievements and potential, we also focus on your volunteer, community service, and home responsibilities as these are indicators of your motivation and determination to succeed. We know that many DREAMers have significant home responsibilities so please do not overlook this section.

Essays

While we will consider your academic record and volunteer and community service activities in selecting finalists, the most important part of your application is your two essays. This is your opportunity to let the Selection Committee know that you have the motivation and persistence to exceed in college and in life.

The essay prompts are:

1. **Your Educational and Career Goals** - 750 words max:
 - Describe your educational and career goals and explain what or who has inspired or helped shape these goals.
 - Excluding financial needs, what are the most significant challenges you expect to face in successfully completing college? How will you overcome these challenges?

2. **Overcoming Adversity** - 750 words max:

- Describe a challenging family or personal circumstance that has affected your achievement or participation in school, work, or community activities.
- How did you overcome this challenge and what did you learn from the experience above?

Step 3: Submitting and Monitoring the Status of Your Application

Don't forget! You must submit your application and upload the required transcripts **by February 28, 2019 by 11:59 p.m. PST:**
