Example #1

Credits You Take

12

Terms to Graduate

10

Cost of Tuition

\$36,250

**More than
max award!**

You will run out of your award if taking 12 credits/term.

 *If you take fewer than 15 credits in Fall or Spring terms, consider taking winter or summer classes as well, if offered at your college.*

- At many colleges, tuition is the same (flat rate tuition) for 12 to 18 credits/term
- Taking 15 credits/term can save you money and time

Example #2

Credits You Take

15

Terms to Graduate

8

Cost of Tuition

\$29,000

**Covered by
max award!**

Take 15 credits/term to graduate on time & spend less money.
