About TheDream.US and Dreamers:

Help Ensure Dreamers Get Word About This Life-Changing Opportunity

TheDream.US is the nation's largest college and career success program for immigrant students, having provided more than 11,000 college scholarships to Dreamers over the past decade to attend one of our close to 80 partner colleges located in 20 states and Washington, DC.

This year, building on our decade of empowering Dreamers' college and career success, we are excited to open our newest scholarship application round on November 1, 2024 to make higher education opportunities available for more highly motivated undocumented youth. Despite Dreamers' immigration status limbo, we know, in the words of TheDream.US advisory board member Jose Antonio Vargas, that **"a college education is its own kind of passport."**

TheDream.US offers two scholarships:

- TheDream.US **Opportunity Scholarship** is for students who live in targeted, locked-out states where they cannot access in-state tuition. The Opportunity Scholarship is a full-ride scholarship to one of five Opportunity Partner Colleges, providing up to $100,000 that covers the tuition, fees, housing, and food for its recipients for the four years they are working to graduate with a bachelor's degree. **Deadline for Opportunity Scholarship applications is January 31, 2025.**

- TheDream.US **National Scholarship** is for high school graduates or those currently/previously enrolled in college to attend a Partner College in their state. The National Scholarship is for tuition and fees up to $16,500 for an associate's degree and $33,000 for a bachelor's degree. Most recipients would also receive an additional $6,000 stipend for books, supplies, and transportation. **Deadline for applications is February 28, 2025.**

Who can apply: Applications are open to immigrant students with or without DACA or TPS who came to the U.S. before the age of 16 and before Nov. 1, 2019. All undocumented students who meet the eligibility criteria are welcome to apply.
