TheDream.US is the nation's largest and leading organization supporting Dreamers at the intersection of higher education, workforce development, immigration, and advocacy.

We are excited to open our newest scholarship application round on November 1, 2025, to expand higher education opportunities for highly motivated undocumented students, with or without DACA or TPS. In our more than a decade of operation, we have awarded more than 12,000 scholarships, partnering with close to 80 Partner Colleges in 20 states and Washington, DC.

As current TheDream.US Scholars and our Alumni can attest, we believe that...

Talent Knows No Status!
