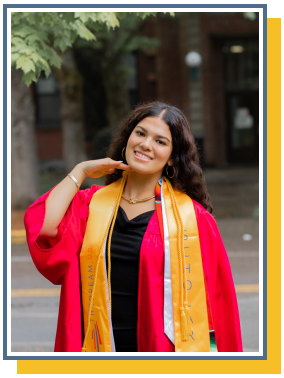
# TheDream.US Application Round is Open

## *Help Us Spread the Word to Dreamers*

TheDream.US is excited to **open our newest scholarship application round on November 1, 2026** for highly motivated, low-income Dreamer students who want to get a college education but are unable to afford the cost. Dreamers are first-generation immigrant students whose immigration status makes them ineligible for federal aid and limits access to state aid and in-state tuition. **We offer two types of scholarships with eligibility based on the applicant's state.**



### The National Scholarship

**Deadline: February 28, 2027**

The National Scholarship is for students to attend a Partner College in their home state or one of our online college options. Applications are open to Dreamer students who came to the U.S. before the age of 16 and before November 1, 2021. The Scholarship is for up to **$18,000 for an associate's degree and $36,000 for a bachelor's degree, plus up to $6,000** in stipends for books and supplies.

Applicants must apply, be admitted, and be willing to relocate to one of our Opportunity Partner Colleges to receive this scholarship.
